Dear Hillview Families,

We hope you've had a wonderful, relaxing summer! Welcome to Hillview, or welcome back! We would like you to please consider contributing to **Hillview's most important fundraiser of the year!** Your donations can directly and immediately benefit your child's education, as well as support the services that Hillview is able to provide to all its students.

The PTO will spend \$250.00 this school year for each child.

The PTO will pay for many of the expenses that are required of parents each year (see below). We are asking each family to help us attain **100% participation!** Don't delay, join today! Basic membership dues: \$10.00. Please consider a generous donation, each donation is greatly appreciated. Your membership contribution is a chance to give a tax deductible gift directly to Hillview that **will impact your child's education.**

Your \$\$ at work for:
