

The Hillview PTO is kicking off its first PTO Summer Reading Drive as a part of the newly launched committee, *Caring & Sharing*.

This Summer Reading drive will benefit our Caring and Sharing Families by giving their students an opportunity to purchase some of their required Summer Reading Books with a complimentary Kepler's Gift Card. Your donation will help build a fund to directly purchase the Kepler's Gift Cards, which will be distributed in time for the Hillview Book Fair.

To be a part of this *Caring and Sharing* program, you can either make an [on-line donation](#) or bring a check payable to Hillview PTO to the *Caring and Sharing* folder in the office. All donations are tax deductible.

If you have any questions about the Summer Reading Drive or have a Hillview student that can benefit from this program, please contact PTO Co-Presidents, Joyce Baker at gjbakers@comcast.net or Marsha Brock at mbrock566@comcast.net.

Thank you and make sure to shop the Hillview Book Fair on May 20-23rd for all you Summer Reading Books!
